

To prevent disease— resist disease germs

SMALLPOX is prevented by vaccination — the injection of vaccine.

DIPHTHERIA is prevented by the injection of anti-toxin.

These enable the body to produce substances which prevent the growth of smallpox and diphtheria germs in the blood.

There are many other diseases, nearly, if not quite as dangerous, and far more common — typhoid fever, the grippe, bronchitis, pneumonia, catarrh, rheumatism, and a score of others — that can be prevented less painfully and more easily by making the body strong to resist germ infection.

Rexall

Olive Oil Emulsion

(With Hypophosphites)

Is designed for the prevention as well as the relief of disease — by enabling the body to overcome the germs. It, at the same time, strengthens and tones the nerves, nourishes the blood, puts the entire system into a proper healthy condition to combat and successfully resist disease.

Every person not in perfect health has incipient germs of some distressing ailment in his or her system.

Cold weather, over-work, excesses of any kind, are liable to bring about just the conditions under which those latent disease germs will get the upper hand, and put you on your back "down sick."

You who are run-down, tired-out, nervous — You who, though not sick enough to give up, still don't feel good —

You who are apparently well, and want to stay well — Take home a bottle of Rexall Olive Oil Emulsion to-day, and use it as a means to get well and keep well.

Rexall Olive Oil Emulsion is a real nerve-food tonic.

In this it is different from most other so-called "tonics" which either have no food value and do nothing more than temporarily stimulate you, leaving you in a worse condition than before — or, having food value, still

are so unpleasant to take that many people can't keep them down.

Rexall Olive Oil Emulsion is pleasant to take. The Hypophosphites it contains tone the nerves. The pure Olive Oil nourishes both nerves and blood.

Rexall Olive Oil Emulsion strengthens you, puts snap and ginger and vitality into your system. It makes you feel better and stronger. It improves your digestion and your bowel action.

It contains no alcohol nor any dangerous or habit forming drugs.

It is guaranteed to be just as represented above — to do all that is claimed above — to satisfy you in every way, or your money back without quibble or question. Enough for full two weeks' treatment, \$1.00.

Sold only at The Rexall Stores — the World's greatest Drug Stores — and always with a full guarantee of complete satisfaction, or your money back.
